India-Iceland Relations in a Changing World: Opportunities and Constraints

The Institute of International Affairs at the University of Iceland and The Embassy of India in Reykjavík invite you to a one-day conference examining India–Iceland relations within the context of shifting global power dynamics. The conference will explore opportunities and constraints in the areas of security and defence, technology and innovation, trade and cultural engagement, highlighting the growing relevance of this partnership in today's geopolitical environment.

Full programme and further details coming soon.
