

# Prasoon Dewan

**CEO – Divish Aurum Pvt. Ltd.**

With over two decades of experience in the global fine jewellery trade, Prasoon Dewan leads Divish Aurum as a premier manufacturer and exporter of platinum, gold, and diamond jewellery. His expertise spans bullion, certified diamonds, and platinum craftsmanship, with a distinct Scandinavian and European design sensibility that sets the brand apart in international markets.

# Divish Aurum Private Limited

Established in 2018 and headquartered in New Delhi, Divish Aurum has rapidly grown into a vertically integrated fine jewellery manufacturer and exporter. The company combines traditional craftsmanship with modern CAD/CAM technology to produce platinum, gold, silver, and certified diamond jewellery for discerning international clients.

## Vertically Integrated

Complete control from bullion sourcing through diamond procurement to manufacturing and retail operations

## Certified Excellence

Laboratory-certified metals and diamonds with full traceability—no synthetic or CVD diamonds used

## Global Operations

Active markets in Norway, Estonia, Australia, and the United States with expanding international partnerships

## Technology-Driven

CAD/CAM-based design capabilities and advanced production facilities ensure precision and consistency

# Dr. Keerath Basra, MBBS

## Medical Consultant – Air Line Pilots Association (ALPA)

Dr. Keerath Basra is a distinguished Medical Consultant at the Air Line Pilots Association (ALPA), bringing a wealth of expertise in aviation health and occupational medicine.

### Aviation Health Expert

A medical graduate with specialized knowledge in aviation health, ensuring the well-being of flight crews.

### Occupational Medicine

Specialist in occupational and preventive medicine, focusing on the unique health needs of pilots.

### Pilot Wellness Advocate

Dedicated to promoting pilot wellness and enhancing flight safety through proactive medical strategies.

### Innovation & Research

Actively engaged in medical technology advancements and fostering collaborative research efforts in aviation medicine.

# Professional Overview

Dr. Basra's comprehensive expertise spans critical areas of aviation medicine, ensuring pilots meet stringent health requirements and contribute to overall flight safety.

## **Fitness-to-Fly Assessments**

Conducts thorough medical evaluations to ensure pilots meet the necessary health standards for flight operations.

## **Regulatory Guidance**

Provides expert advice on aviation medical standards and regulatory compliance to maintain safety protocols.

## **Insurance & Risk**

Manages insurance documentation and performs meticulous risk evaluations for aviation personnel.

## **Pilot Well-being Research**

Engages in cutting-edge research on pilot fatigue, mental wellness, and their impact on aviation safety.

## **Digital Health Initiatives**

Passionate about integrating digital health solutions and fostering global medical partnerships to advance aviation medicine.

# Connect with Dr. Keerath Basra

Dr. Keerath Basra, Medical Consultant for ALPA, is dedicated to advancing aviation health and pilot well-being. Based in India, Dr. Basra is available for consultations and collaborations to enhance medical practices within the aviation industry.

## Contact Information

 India

For inquiries or to schedule a consultation, please reach out via phone or email. Specific contact details available upon request.

### Phone

Available for direct communication.

### Email

Preferred for detailed discussions and documentation.

Dr. Basra looks forward to collaborating with aviation professionals and organizations worldwide.

# Kiran Todaria: Hydro Power Maintenance Specialist

## **Expertise in Hydro Power**

**Plant Maintenance:** A proven track record in optimizing and maintaining critical hydro power infrastructure.

## **Specialist in Protective & Underwater Coating Systems:**

Advanced knowledge and application of state-of-the-art coating technologies to enhance durability.

## **Strong Experience in Erosion, Corrosion & Cavitation Repair:**

Mitigating the most challenging wear and tear issues faced by hydro power components.

## **Associated with Major Hydro Projects Across India:**

Contributing to the success and longevity of significant energy initiatives nationwide.

# D.P. Todaria & Bros.: Advanced Coating Solutions

## **Authorized Distributor – ITW Chemin**

Providing cutting-edge, high-performance coating materials from a globally recognized leader in industrial solutions.

## **Advanced Coating Solutions for Hydro Power Sector**

Specializing in protective applications that extend the life and efficiency of hydro power assets.

## **Underwater Parts Coating & Structural Repair**

Expert services for submerged components, ensuring integrity and performance in challenging environments.

## **Supporting Sustainable Hydro Power Generation**

Our solutions directly contribute to the reliability and ecological responsibility of hydro energy projects.
